

A Letter to Texas Students From The TSHF President

Dear Students and Faculty;

I hope this newsletter finds each of you enjoying a wonderful semester. I write bringing greetings and best wishes from the Texas Speech-Language-Hearing Foundation. As President of the Board, I look forward to the Texas Speech-Language-Hearing Association Convention in April, 2009 when we will gather in Austin to grow professionally, to re-connect with friends, and to enjoy the opportunity to meet new ones. An exciting part of the Convention is the Foundation luncheon. At this annual event, the awards of the Texas Speech-Language-Hearing Association will be awarded as will the scholarships and research grants from the Texas Speech-Language-Hearing Foundation. These awards will be presented to many deserving students who are studying for careers in the professions of speech-language pathology or audiology.

I hope each of you will take the time to visit the Foundation website (<http://www.tshfoundation.org>) and talk with your program director regarding scholarships and research grants for which you may be eligible to apply. Questions regarding the scholarships should be directed to Scholarship Chair, Dr. Mary Ann Acevedo (acevm@lake.ollusa.edu). Questions regarding the research awards may be directed to Dr. Paul Hardee (whardee@satx.rr.com), Chair of the Research Awards Committee.
