# HISTORY OF THE FOUNDATION

1985. The Texas Speech-Language-Hearing Foundation (TSHF) was established by TSHA with the first Board of Directors composed of TSHA officers: Richard Stream, Mary Lovey Wood, Joseph Helmick, and Robbin Parish. The creation of a nonprofit foundation appeared necessary because Braniff Women's Auxiliary had endowed a scholarship fund to support speech-language-pathology students enrolled in any of four North Texas universities. Between 1985 and 1992, three \$500 scholarships were awarded.

1992. Anne Mauzy was appointed by Sandy Friel-Patti (TSHA president) to re-organize the TSHF. The first Board of Directors consisted of Anne Mauzy, President; Tina Bangs, Vice-President; and Larry Higdon, Publicity. Carolyn Wells was soon added to the Board. The Foundation was incorporated as a 501 (c)(3) charitable organization. Cash-in-hand was \$19,309. When Anne Mauzy left the presidency 3 years later, the cash-in-hand plus total pledges equaled \$100,000. The current program of activity was in place.

# 2021 Table Sponsors

For the first time ever since the TSHF Awards Events began, we did not have any sponsored tables because the convention was held virtually due to COVID-19.

Instead, we held a University Challenge!

Thank you to everyone who participated in our 2021 “Give a Little, Help a Lot” campaign to support the TSHF. Our University Challenge was a huge success and the TSHF is appreciative of the support received from eleven participating universities: Baylor University, Stephen F. Austin State University, Texas Christian University, Texas State University, Texas Tech University Health Science Center, University of North Texas, University of Texas at Austin, University of Texas El Paso, University of Texas San Antonio, University of Houston, and University of St. Augustine

## Educational Programs

The Oscar Mauzy Leadership Conference is a collaboration between the Texas Speech-Language-Hearing Foundation and the TSHA Executive Board and serves as a training opportunity for leadership growth and development for both organizations. The conference was named for Oscar Mauzy (1926-2000), a Texas state senator from Dallas (1966-1986) and former justice of the Texas Supreme Court (1987-1992). He was well-known to speech-language pathologists and audiologists across the state for his dedication to our causes, and also for his good fortune in marrying Anne Rogers Mauzy, a speech-language pathologist, who is now listed as the Founding Director of the Texas Speech-Language-Hearing Foundation. Mr. Oscar Mauzy passed away in 2000, and Mrs. Anne Mauzy passed away in 2018.

The 2020-2021 Oscar Mauzy Leadership Conference was conducted in collaboration with the Texas Speech-Language-Hearing Association Leadership Academy, beginning at the TSHA Convention in 2020, continuing at the TSHA Executive Council Meeting in October, 2020, and concluding at the TSHA Convention in 2021. This year's cohort consists of speech-language pathology and audiology graduate students. Their mentors are professionals who participated in the first two cohorts of the Leadership Academy. The objectives of this collaboration were as follows:

- To increase the number of individuals willing to serve in a leadership role in TSHA and/or TSHF
- To increase awareness among cohort members of the TSHA organization and the importance of leaders in TSHA and TSHF
- To provide multiple opportunities for cohort members to acquire and apply information on leadership in TSHA and TSHF
- To provide opportunities for cohort members to serve in a volunteer capacity in TSHA and TSHF
