# TEXAS SPEECH-LANGUAGE-HEARING FOUNDATION ORGANIZATIONAL CHART

## HISTORY OF THE FOUNDATION

1985. The Texas Speech-Language-Hearing Foundation (TSHF) was established by TSHA with the first Board of Directors composed of TSHA officers: Richard Stream, Mary Lovey Wood, Joseph Helmick, and Robbin Parish. The creation of a nonprofit foundation appeared necessary because Braniff Women's Auxiliary had endowed a scholarship fund to support speech-language pathology students enrolled in any of four North Texas universities. Between 1985 and 1992, three \$500 scholarships were awarded.

1992. Anne Mauzy was appointed by Sandy Friel-Patti (TSHA president) to re-organize the TSHF. The first Board of Directors consisted of Anne Mauzy, President; Tina Bangs, Vice-President; and Larry Higdon, Publicity. Carolyn Wells was soon added to the Board. The Foundation was incorporated as a 501 (c)(3) charitable organization. Cash-in-hand was \$19,309. When Anne Mauzy left the presidency 3 years later, the cash-in-hand plus total pledges equaled \$100,000. The current program of activity was in place.

## **VISION STATEMENT**

*(updated June 2016)*

Helping people with communication disorders  
achieve their potential

## **MISSION STATEMENT**

*(updated June 2016)*

The Texas Speech-Language-Hearing Foundation improves the lives of people with communication disorders by supporting research, education, and service endeavors on their behalf.

## **THEORY OF CHANGE**

*(created August 2023)*

IF/WHEN TSHF **facilitates** the work of the professional community, **supports** innovative research, **collaborates** with universities, **partners** with service providers and researchers, **invests** in emerging clinicians (students), and **nurtures** future leaders...

THEN, we will see increased scholarships for students, increased service projects available, increased research in innovative areas, increased opportunities for emerging leaders to receive training...

This will increase access to effective services, help professionals with diverse backgrounds achieve their goals, decrease financial barriers for students, researchers, and service providers, and improve the quality of life for infants, children, and adults of all ages with communication disorders and their families.

EFFORTS TO FULFILL THE VISION AND MISSION OF THE  
TEXAS SPEECH-LANGUAGE-HEARING FOUNDATION

**Presentation of Awards**

## **Educational Programs**

The Oscar Mauzy Leadership Conference is a collaboration between the Texas Speech-Language-Hearing Foundation (TSHF) and the TSHA Executive Board and serves as a training opportunity for leadership growth and development for both organizations. The conference was named for Oscar Mauzy (1926-2000), a Texas state senator from Dallas (1966-1986) and former justice of the Texas Supreme Court (1987-1992). He was well-known to speech-language pathologists and audiologists across the state for his dedication to our causes and for his good fortune in marrying Anne Rogers Mauzy, a speech-language pathologist, who is now listed as the Founding Director of the TSHF. Oscar Mauzy died in 2000, and Anne Mauzy died in 2018.

This year, an Oscar Mauzy Leadership Conference in collaboration with TSHA was not held. The TSHA Leadership Academy (TLA) and TSHF planned leadership webinars that were held several times in 2023. Discussions have continued with the TSHA Board regarding how the Foundation can financially support and collaborate with the TSHA Executive Council and Board with leadership training and initiatives. There are currently three funds that can be used to facilitate leadership development.
